Sir,

I have the honor to state that the Mahamadans at Thavarekere in the Magady Taluq, felt the necessity of a Musjid at the village and therefore half of Survey No: 164 was set apart by the Khatedar for building the Musjid at their own Cost of Rs 2400/-, and the Khatedar demands no Compensation for

for the land so given up. The Amildar and the Assistant Commissioner recommends for the Sanction of the Musjid being built. I have also inspected the spot and am of opinion that as the village is situated at present there is no objection to the building of the musjid. There were some portions of this land sold to Hindus for building purposes, but they were not allowed to build houses on those sites with a view to prevent any probable and future inconvenience of having Hindu houses near Musjid. The Mahamedans have given a Muchalika that they would never object to the Hindu processions going along the road in front of the Musjid.

2. The vernacular record bearing on the subject is submitted for reference.

I have the honor to be,
Sir,
Your most obedient Servant
H H Sparkes
